Notes:

1. Current PHRF – NW Certificate

If you have not yet received your 2007 certificate you may attach your 2006 rating certificate. Please advise the organizing committee of any modifications planned to the boat that may be reflected in your 2007 rating.

Successful applicants must submit a 2007 PHRF-NW rating as stated in the NOR

2. Registration fee: (as per NOR item 9)

The registration fee is required to be lodged with this application for entry in the form of a cheque or money order. Applications for entry will be accepted until January 16, 2007. All qualified boats will be considered, however, due to the limited space it is likely that not all boats who apply be accommodated.

If the full complement of 35 boats has not been reached by Jan. 16, 2007 then all qualified applicants to that date will be accepted and the registration period will be extended. The organizing committee reserves the right to accept more than 35 boats as space allows. (Refer to NOR 6.4)

Refunds will be issued as outlined in the NOR Item 9.3. Applicants whose entries are unsuccessful will have their monies returned in full.

In the event the race is oversubscribed then the remaining qualified boats will be placed on a waiting list and notified as soon as space becomes available.

3. Colour Photo: A recent colour photograph of the boat under sail suitable for search and rescue purposes and for use in the media and on the race website must be attached to this application.
